NATIONAL CONFERENCE ON INNOVATIONS IN COMPUTER TECHNOLOGY AND ITS APPLICATIONS [NICTA'18]

03rd FEBRUARY 2018

Organized by
Department of Computer Applications (BCA)

ABOUT THE INSTITUTION:

Guru Nanak College, Chennai has emerged as a premier institution of Higher Education in India. It was established in the year 1971 as a Unit of the Guru Nanak Educational Society to mark the 500th birthday of the Shri Guru Nanak Devji, the founder of the Sikh Religion. The college offers 57 programmes which includes UG, PG, M.Phil, Ph.D, add-on courses and certificate courses. The current student strength stands around 6500. The objective of the college is to spread the ideals of universal brotherhood, oneness of God, communal harmony and welfare to all communities. The College balances its commitment to academic excellence with an emphasis on the all-around development of students by encouraging them to participate in co-curricular activities and extra curricular activities on and off campus.

ABOUT THE DEPARTMENT:

The department offers Bachelor degree program on Computer Applications, since 2000 with an intake of 32 students. The intake was extended to 3 sections from 2005 and now the strength is 485. The department encourages the faculty and student members to undertake research activities and professional growth. The program offers several areas of specialization as elective courses with advanced curriculum that has been developed and delivered by experienced academicians and industry professionals based on the industrial needs. This helps the students to abreast with market world challenges.

ABOUT THE CONFERENCE:

This National Conference is organized with the objective of bringing together researchers, developers and practitioners from academia & industry professionals, working in all areas of computer and communication technology.
