Inter School Competitions

17 February 2023

WOMEN DEVELOPMENT CELL

Report Inter school competitions

Women Development Cell (Guru Shakthi) conducted Inter-School Competitions on 17.02.2023. At this juncture, a novel initiative has been taken by WDC, to conduct the events under the banner Inter-School Competitions. Students in huge numbers registered for the competitions to unveil their talents. It was an action packed program.

For the first time in the history of WDC competitions, an initiative was taken to conduct an event exclusively for men students under the title Fireless cooking (Boys). To all our surprise, this event grabbed the attention of everybody, where an overwhelming participation was noticed.

The competitions conducted are as follows: Best out of waste, Mehendhi, Rangoli, Poster Making, Costumes of India, Photography, Bridal Make over, VJ & RJ Talent Hunt, Cooking without fire (Men) and Painting (Pot, T Shirt, Ceramic plates, Saree, Cloth). Around 850 students participated in the events (both individual and team events) and displayed their astounding talents. It was a tough time for the judges in finalizing the winners in each category
