Message

Dear Students,

I welcome you to the portals of this great Institution of learning, not only academics but also human values and service orientation. This prime period of your life will form the foundation for your brilliant future.

The Management of Guru Nanak College is constantly extending a great learning environment whether its classroom infrastructure, science and IT laboratories, research facilities, publication, libraries, playgrounds for all Sports and games in a well maintained lush green campus. In partnership with ICL, CSK, TNCA and HCL Foundation a big thrust to both men and women Cricket development is ensured.

A World class Sports Academy including a Rifle-Shooting Club and facilities for indoor games such as Squash, Table Tennis etc. are recent additions. Several national and international sportsmen and sportswomen have been groomed on the grounds of GNC, whether cricket, Squash, Rowing, Athletics, Swimming, Body-Building etc. We also encourage media exposure both print and video skills among the students. A Centre for Consultancy and Outreach Initiatives to extend services to corporates has been recently launched.

In keeping with the vision of transparency and efficient governance, we have moved to a paperless office and centralized e-Governance. We dedicate ourselves to the upliftment of the society with a truly egalitarian approach in alignment with our vision 'Pro Bono Publico' - 'For the Benefit of all'

Best Wishes

Manjit Singh Nayar

General Secretary & Correspondent

Dear Children,

You are stepping into a important phase of your life ... with jolly school days behind you and a zestful college life ahead. GNC has a very distinctive, colourful, activity filled, friendly canvas, to paint your student life in your original creative style and dreams. There are opportunities galore - for shaping your future with a perfect blend of serious study, hands-on practicals, fine arts, sports, skill development, value education, placement, higher studies and so on.

The training and placement cell provides enormous opportunities to learn about the industry needs and train you and organize placement drives to handover your job order even before the final semester exams, in leading organizations. Besides this your research skills are honed through the student research club and Innovation, patenting and entrepreneurship is mentored by the Innovation, Incubation, Entrepreneurship and Startup Center (GNCIIES). The recent thrust by the Government and Institution-Industry-Interaction dialogue has brought into focus upskilling for bridging the gaps in classroom education and industry needs. This dimension of the student needs are also successfully met by providing compulsory skill courses across all disciplines whether Humanities, Sciences, Commerce, IT and Management under the scope of the Guru Nanak Centre for Skill Development (GNCSD) inking MOUS with NASSCOM, ICT Academy, Infosys Spring board, Naan Mudalvan Scheme, MSME, KVIC, EIFE, MIG and in-house training talent too. With pride, I wish to record that in a short span of 4 years more than 20000 skill certifications have been done. To cap it all is the recent award received at the BRIDGE-23 Enclave of the ICT Academy for maximum number of student certification programmes in the Arts and Science College of TN category. The list is endless... it is for you to make the most of your life in GNC.

God bless you all

Dr Marlene Morais
Advisor, GNES & Former Principal, GNC

Message

Dear Student of Guru Nanak College (Autonomous), Chennai!

Hearty Welcome and best wishes for choosing Guru Nanak College (Autonomous) to pursue your academic career. It is an institution named after a great saint of modern times, Shri Guru Nanak Devji.

The Guru Nanak College with 5 decades of existence is committed to elevate the service to the student community with vigor and dedication. Armed with a band of highly qualified and dynamic teaching and non-teaching staff, guided by an encouraging Management we are poised to scale greater heights. We have 30 UG, 9 PG and 8 Ph.D. programmes, 82 Skill/Value Added certificate courses, catering to a stunning strength of around 7500 students on campus across two shifts. The College is Autonomous and hence the academic flexibility has been fully utilized to ensure excellent course content, embracing value education, inter-disciplinary electives, using the tools of experiential learning, blended learning and mentoring.

The placement cell of our college has a track record of 80% placement every year through leading recruiters of the country. I wish to place on record that our college is one the best colleges in the country which is recently accredited by NAAC with a highest grade of A++ from NAAC with a score of 3.68 out of 4 in the third cycle.

It is well-connected by roads and rail routes, avenues for part-time job and has the serenity required for pursuing all-round education. The college provides a springboard for the student to catapult into the society with confidence and knowledge to become great citizens of our Motherland India.

Dr M G Ragnathan
Principal

Message

Dear Students,

At the outset, let me congratulate you for having secured admission at the Guru Nanak College, which is singularly poised to play a significantly pivotal role in your academic growth. Welcome to our fold! The Indian Higher education ecosystem is undergoing quite a transformation, what with information explosion, demographic changes and emerging technologies. GNC is quite aware of it and leaves no stones in incorporating learner friendly environments to boost student learning and development of learners as global citizens. Wish you all the very best!

Dr S Savithri

Vice Principal – SFS I

Dear Students,

It gives me immense pleasure in welcoming the 2023-24 batch of students to our prestigious institution which is committed in providing a wide variety of opportunities enabling them to attain confidence and reach their highest potentials. Guru Nanak College provides an extremely conducive and secure environment to learn, lead and be a good citizen.

Our curriculum and the core values imparted by our dedicated faculty members ensures quality education and holistic development of the student's personality. Our campus is vibrant and dynamic with extra and co-curricular activities, fostering holistic growth. Our focus is always on the growth of every single student. I believe learning is a continuous process and here at Guru Nanak College we seek to deepen and provide the students an enriching and innovative learning experiences through varied activities like skill development programs, outreach activities, talent hunt, association activities, inter collegiate competitions and sports fests. Our College is fully committed to the values propagated by the divine visionary - Wahe Guru.

Dr Anitha Malisetty
Vice Principal – SFS II

ABOUT US

Guru Nanak College was established in 1971 to commemorate the 500th birth anniversary of Shri Guru Nanak Devji – the founder of the Sikh religion, by the Guru Nanak Educational Society (GNES). (Late) Lt. Col. G.S. Gill was the founder President, (Late) Padmashree P.N.Dhawan was the General Secretary and (Late) Sardar Manohar Singh Sabherwal was the Treasurer. This yeoman service of a small community of Sikhs, who made Tamil Nadu their home, after they left Punjab following the partition is historic.

The noble mission of the GNES is to provide quality education to all, irrespective of socio-economic background, caste, creed or religion. This is in keeping with the motto of the College 'Pro Bono Publico' which is a translation of Sikh prayer 'Sarbat da bhalla' meaning 'For the benefit of all'. The Sikhs are a minority in the State and yet the Management does not claim any concessions extended to minority institutions. It is run and regulated like a non-minority institution in service of the majority community.

GREEN CAMPUS

Eco-friendly Campus

The Go Green campaign is practised in the College in all its functioning to inculcate comprehensive environmental awareness and an ecological culture in students' minds

SALIENT FEATURES

The Guru Nanak College, (GNC) in a lush green 25-acre campus cradled between the Raj Bhavan and the campus of the IIT, Madras on the Guru Nanak Salai, is located in Velachery, South Chennai – the gateway to the IT expressway of Tamil Nadu.

BEST WASTE MANAGEMENT – BHUMI CAMPUS AWARD

2022

Recognised for the "Outstanding efforts in Promoting Sustainable Waste Management Practices on the Campus"

INFRASTRUCTURE

The College has
Academic
Buildings with
State-of-the-art
facilities

UNIQUENESS OF GNC

1

School System

The College has well established school system comprises of six schools namely School of Languages, School of Humanities, School of Sciences, School of Commerce, School of Management & School of Information Technology to foster inter-disciplinary and multi-disciplinary studies.

The School System helps the students in consolidating their learning by synthesizing ideas from varied perspectives, acquire alternate skill sets, leading to critical, creative and practical thinking

2

Centres of Excellence

GNC has well established Centres of Excellence namely, Guru Nanak Centre for Skill Development, Guru Nanak Centre for Research, Guru Nanak Media Centre, Guru Nanak Centre for Innovation Incubation Start-up and Entrepreneurship, G S Gill Research Institute Guru Nanak Centre for Consultancy and Outreach Initiatives and Guru Nanak Centre for e-Governance (Integrated Management System).

The Centres acts as a knowledge centre that promotes the blending of innovation with industry sector

3

Infrastructure

The college has an excellent infrastructure with well-designed academic blocks. All the academic block houses the state-of-the art smart classrooms and wi-fi enabled LCD projectors to facilitate teaching through modern tools and techniques. The College has well furnished and spacious laboratories.

The college has the international standard cricket ground and adequate infrastructure are provided for indoor and outdoor games. The college has state-of-the-art auditorium, seminar hall, discussion rooms and board rooms for all co-curricular and extra-curricular activities.

5

Faculty

The college has highly qualified and well experienced staff and professionals from the industry. The teacher student ratio is maintained at 1:25 for UG and 1:20 for PG.

4

Learning Outcome Based Curriculum Framework

The Learning Outcome-Based Curriculum Framework adopted by GNC makes the curriculum student-centric, interactive, and outcome-based with clearly stated goals and objectives. The courses are semester-based and offers Choice Based Credit System (CBCS). The course structure consists of a core paper, allied, discipline-specific electives, and generic electives (non-major and interdisciplinary electives) selected from other disciplines to broaden students' horizons. The Curriculum is designed in collaboration with the subject experts from the reputed industries / organization / institutions.

6

Collaborations

The College has signed Memorandum of Understanding with many Reputed National and International organizations in the field of academics, skill development, sports, placement and research for the holistic development of students.

7

Imparts Skill Sets **Skill Development Centre**

The Centre aims at bridging the gap between industry demands and skill requirements. In keeping with the National Educational Policy of upskilling, the College has made huge strides in this domain. Under MOUs with govt. institutions like MSME, KVVC and the ICT Academy, NASSCOM and leading Corporates like Infosys, and the Europe India Foundation for Excellence, our students have been trained in skill/self-employment courses. It has further enhanced the placement opportunities.

10

Introduction of New Programmes

GNC offers brand-new programmes each year to foster innovation in higher education and learning in rapidly developing facets of the society. These include B.Sc. Data Analytics with an MoU with SAS and BBA (Retail Management) with Maruti Suzuki, to mention a few. These courses have been specially created to prepare students for the workforce and to include cutting-edge skills for the jobs of the future.

8

Internships and Projects

Mandatory internships and projects are incorporated in the curriculum to integrate theory and practice. The industry-academic interface is connected with the help of various Field Visits and industrial Visits

Library Service

GNC has a central library, e-library and departmental libraries consisting of more than 61780 printed books, 199500 e-books and adequate number of journals. The e-library with subscription to INFOLIBNET, UGC-NLIST and so on commands access to e-resources. GNC was placed in the top ten colleges at the national level for maximum NLIST usage of the library resources. Guru Nanak Learning Management System (GNLMS) contains the e-contents developed by the faculty members. Open Educational Resources, GNC In-House Publications, Resources for Competitive Examinations, News Clippings and many other academic e-contents are also included in it.

9

Research

The College has established Guru Nanak Centre for Research promotes inter/multi disciplinary and value oriented research. The research projects undertaken by the research centers under GNCR is recognized by various funding agencies, such as UGC, DST, ICSSR and Ministry of Human Resource Development. The institute has published a number of patents

Beyond Curriculum 12

Start ups and Entrepreneurship

The Guru Nanak Centre for Incubation, Innovation, Entrepreneurship & Start-up (GNCIIIES) was established and registered as a member of the Institution's Innovation Council (IIC) under the Ministry of Education's Innovation Cell. The centre inspires and motivates the students to consider entrepreneurship as a potential profession.

13

Guru Nanak Student Induction Programme (GNSIP)

A Bridge Course / Induction programme for the newly admitted students is conducted every year before the commencement of the first semester classes. The main objective of the course is to help the students transition from one educational level to another. It helps the students acquire the basic Learning, Speaking, Reading and Writing (LSRW) Skills, computing and analytical skills. This induction programme is developed for overall grooming and enhancement of the students' society.

14

Student Support Services.

Student Support Services (SSS) at GNC includes counselling cell, mentoring cell, training and placement cell, anti-ragging cell, ICC, Anti-drug committee and student grievances redressal cell

15

GET INVOLVED:
TRY SOMETHING NEW

Extension / Clubs and Societies

The College has a variety of clubs / societies to engage and transform students with diverse skill sets. The Clubs / societies helps you to gain knowledge, skills and experience in leadership, communication, problem-solving, teamwork and management, presentation and public speaking. Students are encouraged to participate in numerous co-curricular and extra-curricular activities through these clubs or through department

16

"WE RISE BY LIFTING OTHERS"

Consultancy and Outreach Initiatives

The centre offers consultancy services to the industries, institutions, government agencies and NGOs, communities and individuals for capacity building endeavours to solve real life industrial problems. It also provides outreach and community services to underprivileged and needy people of the society. CENTRES OF EXCELLENCE

GURU NANAK CENTRE FOR SKILL DEVELOPMENT

Skills are as essential as one's academic status. Education and skills should now go hand in hand. To meet the objective, the Guru Nanak Centre for Skill Development (GNCSD) was launched in 2019 to mark the 550th Birth Anniversary of Guru Nanak Devji. This is an Initiative of the Guru Nanak Educational Society (GNES) to improve the placement and self-employability skills for the youth of the college.

College is collaborated with **CISCO** and has trained the staff on CCNA, Cyber Security, Python Programming, Scripting languages, Cloud Security.

The centre has trained various girl students in sales force Developer and CRM through the CSR projects of **Honeywell and PayPal**.

GNCSD has collaborated with National Association of Software and Service Companies (**NASSCOM**) and has provided the courses such as Data science for beginners, RPA Business Analyst, BPM in Banking, Insurance, Finance & Accounts, Digital 101.

All the commerce students were provided training on stock market trading with National Stock Exchange Academy (**NSE**). **Statistical Analysis System (SAS)** had trained the students on various analytical modules that meets the industry demanding.

Collaborations with top domestic and international organization

To bridge the gap between the industry and academia

- ⌚ To enhance the entrepreneurship skills and provide them the support for establishing the startups
- ⌚ On the employability skills that will facilitate the students to compete in the global job market

GNCSD conducted the diagnostic test for the Associates of the Westin Hotel Chennai to detect their communication ability and started training the associates of westin hotels.

**Offers
82 Skill
Courses**

GNCSD provides skill development opportunities to the students with the skilling partners around the globe

FOCUS

The centre is working with the project under the **NAAN MUDHALVAN** Scheme.

Participation of Students in the Asia's largest Summit on technology and innovation organized by the Government of Tamil Nadu

GNCSD conducted the skill training for the science students on the Biodegradable sanitary preparation and all the science students have completed the training. Further the students have stated preparing the Napkins.

GURU NANAK CENTRE *for* INNOVATION INCUBATION ENTREPRENEURSHIP & STARTUPS

is an initiative by Guru Nanak Educational Society to create a sustainable environment nurturing innovation and entrepreneurial network by connecting students with mentors who are technology experts.

GNCIIES is a registered Institution's Innovation Council (IIC) member under the Ministry of Education's Innovation Cell, Government of India, from 2020-21 onwards. The Centre comprises a team of dedicated mentors and coordinators.

GNCIIES organizes frequent training sessions, webinars, student-expert interactions, and business mentoring.

GNCIIES provides a comprehensive platform for innovation, pre-incubation and scaling up to incubation, startup and entrepreneurial ventures. We Identify interesting and potential entrepreneurs and nurture innovative startup ideas for transformation into successful business entities.

CENTRES OF EXCELLENCE

Begin your Entrepreneurial Journey with us

The center fosters innovation of students and faculty and the related scaling-up programmes to entrepreneurial achievements. **The cell promotes the concept of earning while you learn.**

Ecofriendly Products Initiatives of Innovation and Incubation Cell

The Centre is an MSME Udyam Registered body that caters to the production of viable and patentable products like Hand Sanitizer, Hand made Soaps, Bio Hand Wash, Biodegradable Herbal Sanitary Napkins, Lip Balm, Mosquito Repellent, Liquid Hand Wash, Phenyl Products, Liquid Detergent, etc. and selling in house.

GURU NANAK CENTRE *for* RESEARCH

The “Guru Nanak Centre for Research” (GNCR) was initiated in the year 2019 to commemorate the 550th birth anniversary of Shri Guru Nanak Devji. It was started in a view to identify and initiate foundational inter – disciplinary and multi-disciplinary research among academicians and researchers and as a Centre for excellence in applied and advanced research.

GNCR is a premier Research Centre with cutting edge knowledge on current research with around 27 Research Supervisors and 80 Research Scholars (both stipendiary and non-stipendiary) from various disciplines such as Commerce, Economics, Defence and Strategic Studies, English, Tamil, Chemistry and Zoology.

The Centre also caters to Independent research through Women Scientists Schemes, JRF and SRF. The Research by GNCR is been recognized by various funding agencies such as UGC, DST, ICSSR and Ministry of Human resource development.

The Humanities and Commerce Research of the Centre focusses on International Economics, Environmental Economics, International Security, Folklore, Modern and Medieval Literature, Banking, Information Technology, Marketing and Human Resource Management. The Centre specializes in Science research in the fields of Fermentation Technology, Green Chemistry, Nano Chemistry, Analytical Chemistry, Crustacean Endocrinology and Immunology. The animal cell culture lab and the Plant tissue culture lab are designed to pioneer studies related to cell line culture and maintenance, cytotoxicity research and algal culture.

The ‘Student Research Club’ and the ‘IPR cell’ of the College encourages the undergraduate students into active research by providing them a platform to nurture their ideas related to research in all disciplines leading to patent and product development with internal seed funding for research with social relevance. The Data Analytics Lab of the Centre is an exclusive Lab that specializes on data analysis and interpretation both for research leading to Ph.D. as well as for projects.

GNCR hosts researchers across the State through the **Central Instrumentation Facility** to support research in the fields of Biotechnology, Molecular Biology, Microbiology and Genetics. Several National and International patents have been granted to the research work taken up through the Centre.

Core Values of the Centre

- Sustainable Research Atmosphere
- Sound Research Policy
- Enthusiasm for Creativity and Innovation
- Multi-Disciplinary Research across Different Disciplines
- Grants from Various Funding Agencies
- Promotion of Intellectual Property Rights
- Seed Money Grants
- The Central instrumentation facility
- Data Analytics Lab
- E-Access for Journals and Books
- Guru Nanak Journal of Multi-Disciplinary Research
- Dynamic and Informative YouTube Channel

GRI

G.S. Gill Research Institute

G.S. Gill Research Institute, was founded in the year 1990 by Lt. Col. G.S. Gill, Father of the Sikh Community in Chennai, and the Founder of the Guru Nanak College. This institute is recognized by Madras University. GRI was been given Autonomous status from the year 2000. GNC***

National Cadet Corps (NCC)

Army Wing

Student
Support
Services

The **A**rmey wing and **A**ir wing

units of Guru Nanak College function under the 1(TN) Battery, Madras A Group. The students are enrolled for a period of three years. The cadets are trained for teamwork, punctuality, leadership qualities, discipline, sportsmanship, physical fitness, reliability and patriotism amongst the students. They also represent NCC Tamil Nadu Directorate during the Republic Day Parade and Prime Minister Rally at New Delhi. Camp, trekking, drills, awareness programmes on social cause, environment, cyber crime, etc. are organized by them on regular basis.

 Air Wing

National Service Scheme

NSS with the motto “Not Me But You” imparts the value of selfless service among the 400 volunteers divided into 4 Units under the supervision of 4 NSS Programme Officers. The primary objective of NSS is to provide diversified opportunities to develop their personality through community services and volunteerism. Societal, environment and Community service activities such as Blood donation camps, Swachhata Shapath, Swachh Bharat, Adoption of villages, Tree plantation, Awareness rally, Health care camps, Special camps in rural village etc. The college has adopted 5 villages through Unnat Bharat Abhiyan. The students' involvement allows them to establish personal goals and a dedication to the larger communities they belong to.

NOT ME BUT YOU

Sparrow project

Vermicomposting unit

ENVIRO CLUB

Naming of the trees @ GNC : QR Code

Arbores of GNC : An Eye Opener to Epithets of Trees

The Enviro Club

of GNC inculcates environmental consciousness among the future generations to save and preserve our mother earth. The club also encourages students to develop a set of morals and concerns for development of sustainable environment and participate in environment maintenance and improvement. The Enviro club organises programmes such as tree planting, coastal cleaning, soil preservation, flora and fauna awareness campaigns, environmental pollution campaigns, etc. In collaboration with the Department of Plant Biology and Plant Biotechnology, the Enviro Club at GNC manages the herbal garden, vermicomposting unit, and biogas plant. Each plant or tree at GNC has a QR code that displays the information about the plant, and green audits are conducted on a regular basis. The sparrow project was recently started by the Enviro club with the main goal of returning the sparrow to its natural habitat. This is the first college in TamilNadu to begin such a novel project.

WOMEN DEVELOPMENT CELL

focuses on empowerment of women, gender equality, and enabling the women students to be entrepreneurs. The main objective of the Cell is to make the women students to face the societal challenges, to showcase their talents on both on stage and off stage, to create awareness on the government policies, laws, and services that are available, to urge them to have sustainable development goals that enables them to improve their lifestyle by and large.

The Cell also enriches the Women to have income security and economic autonomy. The Cell also teaches self defense to all the women students, which helps them to live a life free from all forms of violence.

The Women students actively participate in intra and inter collegiate events and showcase their talents and bring laurels to the institution

Penn's Udayal Padai

GNC PENN'S UDAYAL PADAI

Associated with the Women Development Cell of Guru Nanak College.

It is envisioned, especially for the holistic development of girl students of the institution. This novel initiative was taken by the Guru Nanak Educational Society in association with PENN TRUST (NGO), to provide all-inclusive self-defense training sessions to girl students, comprising: Physical-Psychological-Tactical and Cyber Security. The concept behind the training is to rediscover and redeem the self-defensive techniques trained and practiced by the women warriors of Queen Velunachiyar, during the 18th Century. This module of training was designed by Thiru. V. Sriram Sharma, Mentor (GNC UDAYAL PADAI) and Co-Founder, PENN TRUST, who has done elaborate research on Queen Velunachiyar. This inventiveness will create a safe environment for the students and the society around them, through a proactive & 360-degree approach to rebel against crimes, especially against Women & Children.

FINE ARTS ASSOCIATION

The **F**ine **A**rts **A**ssociation's vision is to promote art as a tool for social and personal transformation and sensitize the young generation to the aesthetic and empowering objectives of art forms.

The mission is to cultivate a vibrant, inclusive and supportive environment for artists and provide opportunities for students to express themselves creatively.

Students are provided with wide range of opportunities to explore and enrich their creative talents through various clubs such as Dance, Music, Fashion walk, Theatre, Visual arts, Creative writing and Painting.

Fine arts association believes in the power of the arts to inspire, educate, transform and bring people together. Auditions are conducted every year to identify the budding artistic talents and provide a platform to showcase their skills and explore the creative potential in them.

Cultural secretaries and Club leads are assigned from the student's council to train and provide opportunities for the promising talents with the mentorship of staff coordinators. Through Intra and Inter Collegiate Competitions, Cultural programs, Workshops, training programs by renowned artists and other initiatives students are provided a well-supported and complete environment to pursue and achieve their artistic aspirations.

The association also provides art education to the members of fine arts club through workshops, classes, seminars that enlighten them on art history, theories and techniques. The association through its activities aims to preserve and promote the diverse and rich cultural heritage of the nation and also to explore the innovative possibilities in changing trends through art forms.

All the clubs under fine arts have been continuously bringing laurels to the college and the management has been generous in supporting the initiatives of fine arts association. Fine arts strive to leave a legacy of artistic excellence and cultural ethos that will be beneficial to the college community and beyond.

Entrepreneurship **D**evelopment **C**ell

“Entrepreneurship is not only a mindset but a skillset”. Guru Nanak College strongly believes in this. Entrepreneurship development is the process of enhancing the entrepreneurial knowledge and skills via structured training programmes. The college has set up a fully functional cell for entrepreneurship development that caters to all the requirements of students to become dynamic entrepreneurs. A Mock Company called ‘GNC NDevour’ has been established on the college and school campus to provide students a place to explore and hone their entrepreneurial and leadership skills. The college's ED Unit runs a number of awareness programmes, including seminars, workshops, industrial visits, food festivals, and interactions with entrepreneurs, handholding by trained ED mentors (Faculties). These initiatives are designed to increase the student’s enthusiasm for entrepreneurship.

Citizen **C**onsumer **C**lub

The Citizen Consumer Club at GNC is established to create awareness on consumer rights among students and general public that truly reflects the motto “Aware, Alert and Awake”.

The club hosts seminars and workshops on a variety of topics, such as consumer product standardization, cyber laws, and corporate social responsibility, in collaboration with governmental and non-governmental organisations in an effort to ignite the minds of the next generation. The club is managed by the elected office bearers and the select faculty members.

**“A true
entrepreneur is a
doer and not a
dreamer”**

***G**uru **S**cinet **S**cience **C**lub*

Affiliated to Vigyan Prasar Network (VIPNET), Department of Science and Technology, New Delhi. Club ID: VP-TN0151 with the main objective to popularize science among students and community and to create awareness about the sustainability goals with four dimensions: Environment, Economic, Social and Ethical. It provides the platform for participatory, problem-solving and skill-based learning and helps to bridge the gap between Academia and Industry

***BIS** **C**lub*

The Bureau of Indian Standards (BIS) is the National Standards Body of India under Dept. of consumers affairs, Ministry of Consumers Affairs, Food & Public Distribution, Govt. of India. The purpose of installation of BIS club at GNC is to educate the students to understand the concept of standardization process and various schemes operated by BIS. Students get learning opportunities in the field of quality and standardization through a variety of activities such as seminars, workshops and competitions.

***E**k **B**harat **S**hreshtha **B**harat*

EBSB club of GNC is established to educate students and community on different cultural aspects, life style, opportunities and challenges faced. The club conducts programs related to Tamilnadu, Jammu & Kashmir and Ladakh highlighting unity in diversity.

Empowering Students Through Sports

Sports @ GNC

Sports and Games are Integral part of Guru Nanak College's Total Educational Program.

The management believes in the overall development of the students, hence the College provides the best facilities for physical fitness, sports and games.

Code of Conduct

Strictly No Donations / Capitation

Parents and guardians are informed that the college has a policy not to accept donations/ capitation fees for admission directly or indirectly. Any malpractice in this regard may be brought to the notice of the Principal immediately.

Attendance

Seventy-five percentage of attendance is mandatory for the students to appear for the examination and further promotion into successive semesters. Students who lack required attendance will be taken off from the rolls. Attendance
Seventy-five percentage of attendance is mandatory for the students to appear for the examination and further promotion into successive semesters. Students who lack required attendance will be taken off from the rolls.

Anti-Ragging

Ragging in any form in any place or time will be deemed a serious offence that will warrant severe punishment including expulsion from the college. In this regard, the special Secretary to Government of Tamil Nadu, Chennai 600009 has issued a notification under the Tamil Nadu Prohibition of Ragging Act, 1997. Compliance of the same is strictly enforced.

Withdrawal

Following admission if the student decides to move out, he /she does so before the final date for withdrawal communicated on the college website, fees will be refunded. Withdrawals afterwards do not qualify refund. Students who are provisionally admitted cannot claim for a refund of fee if they decide to discontinue the course. The students enrolled in a course are expected to complete their course of study.

Golden Jubilee Celebrations
