GURU NANAK COLLEGE

SCHOOL OF MANAGEMENT

Department of MBA – Experiential Learning

1.Experiential Learning

- The Department of MBA focusses more on Experiential learning since it is a process where one learns by going through an experience first-hand. The students of MBA learn through multiple forms, either inside or outside of a classroom. Experiential learning like:

  1.1 Internship provides students an opportunity to practice what they have studied in the classroom at the workplace.

  1.2.Projects expose the students to real time work experience before they complete the course.

  1.3.Preparation of Business Plan helps students to analyse various feasibilities for starting a business

  1.4.Industrial Visits provides an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices.

Industrial Visit-Kaleesuwari Refinery Private Limited

1.5.Store Visits helps students get a live experience on the working of retail industry.

1.2 Store Visit - Spencers

1.6.Presentations, Management Games enrich students knowledge on the internal affairs of the organisation and solve business problems.

1.7.Part -time job develops critical thinking, problem solving and decision making skills which are considered to be very vital for MBA graduates. It goes beyond the theories taught in the classroom to offer first-hand experience, which further aids in the retention of these new concepts. It also results in the increased engagement levels of students.

2. PARTICIPATIVE LEARNING

Engaging management students in Participative learning allows them to get involved in class activities to make sure that everyone contributes to the learning process. This process makes sure that all students are included in the learning process. Activities such as

2.1 Role play provide students with the opportunity to take part in activities which mirror career-related scenarios

2.1 Role Play

2.2 Online quizzes are given to track, report, and evaluate learning progress and outcomes of the concepts of learning.,

2.3 PPT presentation/ seminar Improve Knowledge Retention and Transfer,

2.4 Group discussion and Debate develops synergy among students where they come up with various ideas on business issues.

Group Discussion

2.5 Inter-collegiate fest provides an opportunity for a holistic development and improves competitiveness among students of various colleges.

2.5 Inter-collegiate fest

2.6 Mock interview makes students industry ready and helps them improve on various skills to match up to the industry's expectations.

2.6 Mock Interview

3. CRITICAL THINKING

Critical thinking is self-directed, self-disciplined, self-monitored, and self-corrective thinking. It presupposes assent to rigorous standards of excellence and mindful command of their use. Critical thinking activities like

3.1 Case Study Analysis helps in bringing the understanding of a complex issue or object related to a person or an organisation. It can extend experience or add strength to the existing knowledge of the students.

3.2 Movie Review helps students understand and analyse management concepts through movies**.**
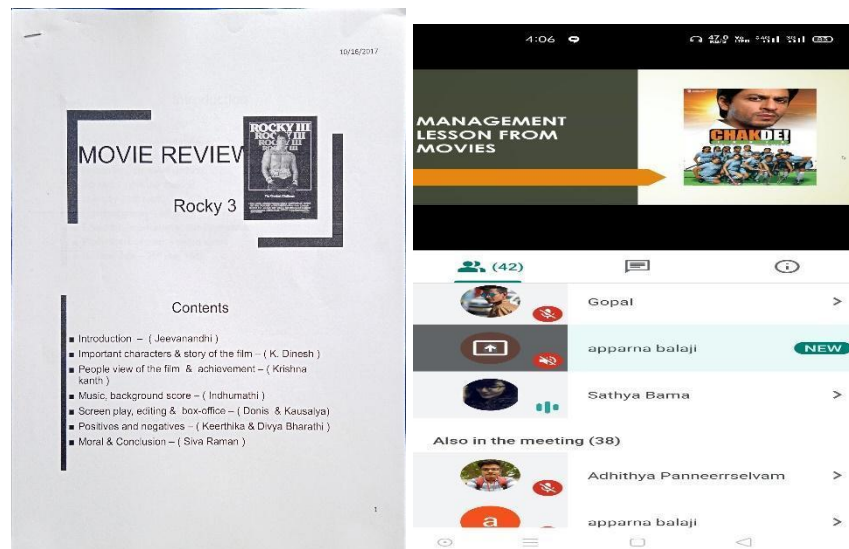

3.3 Article review also called a literature review, is a survey of previously published research on a topic. It also gives an overview of current thinking on the theme.

3.4 Book review is a guide for potential readers. A review summarizes the author's qualifications and main points, often providing examples from the text.

3.5 Technical Analysis entails effective communication and problem-solving abilities among students

Best Practices:

Class Topper and Subject Toppers of Every Semester is displayed in the Notice Board with Photograph.

Identifying Fast Learner and assigning Inhouse Projects and

Inhouse Projects:

1. **Web Application for IDE Management :**
   Developed Web Application for Students to Select Interdisciplinary Elective Papers across departments to bridge the gap between different academic disciplines.

   Registration URL for Students :
