Statement of Achievement

Presented To:

PRADEEP RAVI

Name

During the Cisco Networking Academy® self-paced course, the student has studied the following Skills:

- the universal concepts of computer programming (i.e. variables, flow control, data structures, algorithms, conditional execution, loops, functions, etc.)
- developer tools and the runtime environment;
- the syntax and semantics of the Python language;
- the fundamentals of object-oriented programming and the way they are adopted in Python;
- the means by which to resolve typical implementation problems;
- the writing of Python programs using standard language infrastructure;
- fundamental programming techniques, best practices, customs and vocabulary, including the most common library function in Python 3;

Maciej Wichary
VP.OpenEDG Python Institute

24 Sep 2021

Date

By completing the course, the student is now ready to attempt the qualification PCAP-Certified Associate in Python Programming certification, from the OpenEDG Python Institute.

We are glad to inform you that Harish.T from Guru Nanak Institution, Chennai, successfully completed his internship from 25 June 2021 to 27 July 2021. During his internship, he was exposed to the various activities in Software Development. We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his efforts and get into depth of the subject to understand it better. His association with us was very fruitful and we wish him all the best in his future endeavors.

Thank You,

R.Rajesh
