Dear Mr. Jayaprakas,

Greetings from MMA

It was indeed a pleasure talking to you a while ago. As requested by you, we tried to arrange the industrial visit to Madras Engineering Industries on 6th December. However, the company has expressed inability to accommodate the students on 6th December and hence suggested 14th December instead. As discussed, we confirm the following dates for the industrial visit of MMA student chapter members, as requested:

- > Batch of 60 students to Amrutarjan Industries on 12th Dec 18
- > Batch of 60 students to Madras Engineering Industries on 14th Dec 18.

My colleague Ms Revathy would coordinate with both the companies, and provide you with the details of the coordinating officer at the company shortly. It is requested to make the logistic requirements as required for the visit by students. We wish them a great trip and good learning experience.

Regards

Gp Capt Dr R Venkataraman (Retd) PhD
General Manager
Madras Management Association
