REPORT OF THE EVENT

Event Title	:	National Webinar on "Time, Health & Wealth: 3 Pillars of Pharma Industry"
Event Date	:	11th May, 2022
Event Mode	:	Online
Number of Participant	:	93

National Technology Day was first celebrated in 1999 on 11th May. It was officially declared by the Late Prime Minister Atal Bihari Vajpayee after the Five nuclear tests that were carried out on May 11, 1998. After 24 years of the first nuclear test carried out in the year 1974 under the regime of Late Prime Minister Smt. Indira Gandhi, the second nuclear test was carried out on 11th May 1998 in Pokhran while Late Shri. Atal Bihari Vajpayee was the Prime Minister of India. Initially the code name of the nuclear test was 'Smiling Buddha'. It was a great day when India registered its name in setting off five nuclear devices at a test site in Pokhran in Rajasthan.

At Guru Nanak College, the team GNCIIES has celebrated the National Technology Day as the "Technology Transfer Day" on 11/05/22. The welcome address of the Programme was delivered by Dr. D. Sowmya, GNIIC Startup Cell Coordinator and Dr. Bharathi Ravikrishnan, GNIIC Innovation Cell Coordinator delivered the theme of the Webinar. Dr. C. P.
