## REPORT

Guru Nanak College conducted a Value-Added Course on “**R Programming**”. This Course was from 15-12-2018 to 28-12-2018 in the college campus. ‘R Programming’ is a course initiated to enable students to learn about the basic concepts of R Programming and to make students understand the different concepts of R through practical. An official announcement about the course was given to the students and the classes were conducted from 15-12-2018 to 28-12-2018. The course content was divided into five units and the course was planned for 30 hours. The classes were scheduled to be conducted from Monday to Saturday between 9.30 am and 12.30 pm. The course objective was to teach how to program in R and how to use R for effective data analysis. The students will learn how to install and configure R necessary for an analytics programming environment and gain basic analytic skills via this high-level analytical language. The course covers fundamental knowledge in R programming. Popular R packages for data science will be introduced as working examples. 293 students benefited by the course and they were all given a certificate.

## REPORT

**“Brand Management”** is a course initiated to make students understand principles of Branding, role of brands, elements and components of brands, brand equity etc. The main aim for Brand Management is to make sure that students understand implications of planning, implementing and evaluating Branding Strategies. An official announcement about the course was given to the students and the classes began from 15-12-2018 and went on for 10 days till 28-12-2018. The course content was divided into five units and the course was planned for 30 hours. Eminent resource persons Dr. Kavitha P, Ms Uthra Govindarajan and Dr. Geetha R handled the classes for the UG students. The classes were scheduled to be conducted from Monday to Saturday between 9.30 am and 12.30 pm. The course objectives were to understand about branding and its effect on present day market and to learn about branding using online mode which is very recent trend. The course also aimed at equipping the students with hands-on training in Brand Management. 286 students were benefited by the course and they were all given Certificates.

## REPORT

Guru Nanak College (Autonomous) conducted a Value-Added Course on “**Robotics Process Automation**”. This Course was coordinated by the Department of MCA. ‘Robotics Process Automation’ is a course initiated to enable students to learn about the basic concepts of Robotics and to make students understand the different concepts of programming for robotics. An official announcement about the course was given to the students and the classes were conducted from 03-12-2018 to 14-12-2018. Dr. R Anand was the resource person to handle the classes. The course content was divided into five units and the course was planned for 30 hours. The classes were scheduled to be conducted from Monday to Saturday between 9.30 am and 12.30 pm. The course objective was to acquire knowledge about Robotics process automation. The students will develop their skills about programming, developing application related to Robotics. The course covers fundamental knowledge in Robotics process automation. 114 students were benefited by the course and they were all given certificates.
