# Screenshots of Online Mentoring System

The screenshot displays the 'Internal Exam Result Analysis' module of the Online Mentoring System. The interface includes a navigation menu on the left with options like Masters, Admission, Finance, Department, Student, Employee, Reports, IMS, and Research. The main content area shows the 'Exam List of Sem 4 - Section C of Academic 2018'. It lists two internal assessments and a model exam, each with a table of subjects, marks, and exam dates. Below the exam list, there are tabs for 'Subject Pass Percent', 'Student Pass Percent', 'Failure Student Details', 'Failure Distribution', 'Subject Wise Failure List', 'Fail Analysis', 'Toppers List', and 'Scoring Pattern'. The 'Student Pass Percent' tab is active, showing a table of student performance. The table has columns for Reg No, Student Name, and scores in various subjects, along with a final percentage. A sidebar on the right titled 'Students Pass Percentage in All Subjects' provides summary statistics: 45 students attended all subjects, 42 passed in all subjects, and the overall pass percentage is 93%. A gauge chart shows the percentage of students passed in all subjects (93%) and failed in one or more subjects (7%).
