### Academic Year 2016-17

- The 2<sup>nd</sup> batch of autonomous students was flagged off with the autonomous syllabus and the first set of mark sheet print out was taken.
- **The Iboss** is a web based software application to integrate the entire examination process. At every stage the EMS is subject to regular testing and customization. Based on the requirement of the process the feasibility will be checked and proper specification will be provided to the service provider with time frame. Updations will be tested off-line before implementing in the live.
- **Question Paper Setting** - Question papers are set by two different examiners for one subject code. The examiners are given a password to open the template for keying in the questions. The same along with the scheme and key is sent back by the examiner to the e-mail specifically created for the purpose. It is then stored in a separate hard disc which is kept under safe custody at OCOE. The set question papers are scrutinized by experts in the field for the correctness, the scope and whether the question paper is set according to the requirements specified. (within the syllabus, whether it is according to the blue print, the standard etc.,)
- Question Papers are encoded to maintain secrecy and confidentiality and is decoded only in the examination hall according to the date and time schedule. Question papers are multiplied in house and are packed and kept in safe custody till it is put to use. Students are provided with a well-knit ruled 42 pages' booklet with a graph sheet for convenient writing. The answer booklets have security features. No additional sheets are provided.
- The OCOE is completely automated, the answer scripts are masked and given dummy numbers for a fair evaluation process.
- **End semester examinations** was conducted from 3<sup>rd</sup> Nov. 2016 to 23<sup>rd</sup> Dec. 2016 for the Odd Semester and from 11<sup>th</sup> April 2017 to 29<sup>th</sup> April 2017 for the Even Semester.
- **End Semester Practical Examination** - The practical examination answer sheets are made ready in house with the details pre-printed on it. The student cannot exchange the booklet as it is student specific.
- **Single evaluation system** is followed for both UG and PG. The evaluators are selected based on their experience, expertise and their willingness to do the evaluation. They are called on rotation for the central evaluation camp held at the OCOE. The data base maintained is

dynamic by including new examiner's profile every semester through direct application and referrals.

- Soon after evaluation the marks are entered in the computer in the presence of the examiner. This ensures the data entry quality, which is authorized by the signature of the examiner in the printed mark entry sheet (Foil Sheet). This helps in reducing errors and strengthening the process of mark entry.
- System of second mark entry is there to find out any discrepancy
- **Result Passing Board** - The marks entered are tabulated department wise and an analysis report is generated for result passing board.
  - The result passing board consists of the head of the department as chairperson and an external member from the crew who evaluated the answer scripts. Sometimes an internal member is also called for the result passing board meeting.
  - Once the meeting is convened the members of the board analyze and pass on their consensus of any moderation recommended to the deputed member of the OCOE. A passing board report is generated with the details of benefit and signed by all the members. A moderation of 5 marks is accepted for all the programs.
  - As per the process, the result passing board was conducted on 9<sup>th</sup> & 10<sup>th</sup> January (2 days) all the programs in the odd semester and between 22<sup>nd</sup> May to 24<sup>th</sup> May 2017 (3 days) for the even semester examination.
- **Publication of Results** - The results are published through college website. Announcement about the result publication is also done through the electronic notice board for the information of the students. The results for the odd semester was published on 19<sup>th</sup> January 2017 within 18 days after the last date of the ESE. The result for the even semester was declared within 21 days on 26<sup>th</sup> May 2017.
- **Examination Redressal Mechanism** - When results are published the information about obtaining photocopy and applying for revaluation is clearly given along, so that students who wish to apply can do so. 25 and 19 Complaints or Grievances about evaluation were addressed in the Odd and Even semester respectively. The percentage of grievances addressed and changed is 0.39%.
- After revaluation results are published, a copy of the Galley sheet of every class is given to the respective department HODs for their records through their login.
- **Pass Percentage** – The average pass percentage of the first autonomous batch for the outgoing PG students is 65%.
