SEED MONEY POLICY

Guru Nanak College (Autonomous) gives financial support to Faculties and Students to carry out multidisciplinary research in all disciplines in the form of Seed Money for research and Innovations. The Guru Nanak Centre for Research is the nodal agency in receiving proposals from researchers and disbursing the grant. The main objective of this Scheme is to promote innovative research contributing to sustainable development.

ELIGIBILITY

The Faculties and Students seeking financial support for innovative research, building of equipment, designing a device or prototype can apply for this grant against the call for by the Guru Nanak Centre for research once a year. Only one proposal can be submitted by an applicant during a year. Any proposal rejected should not be resubmitted. Research proposals related to Health sector, Societal Needs, Artificial Intelligence and Environment are given priority.

SELECTION

The proposals received will be shortlisted and called for a presentation before the External Committee Members. The Committee will scrutinize the proposals and recommend based on Novelty, Contribution to Society, Innovation leading to product development and viability of project for external funding. The decision of the Committee will be final. Applicants who are granted seed money will be eligible to apply after two years from the receipt of the grant.

RULES FOR SEED MONEY GRANT

A maximum of 10 research projects would be funded every year.

I) Eligibility

This grant is for all full-time teaching staff of Guru Nanak College (both Shift I and II) and UG, PG students having Staff mentors. Priority is given to proposals with prior work and publications available related to the proposal.

II) Duration of the Project:

The duration of the project is for 12 months. In exceptional cases maximum up to six months' extension may be given on the recommendation of Research Coordination Committee.

III) Selection Process

1. Faculty members shall submit a proposal in the prescribed format upon call for.
2. Applicants can include Co-PI if need arise.
3. The proposal will be reviewed and shortlisted by the Research Coordination Committee and recommended to the external committee members.
4. The shortlisted applicants will present the proposal before the external Selection Committee Members.
5. Proposals suggested by the Selection Committee Members for revision can resubmit the proposal for further consideration.
6. Any proposal upon revision in objectives, methodology or budget as per suggestions of the selection committee members can be resubmitted for further consideration.
7. The selected proposals will be placed before the Research Coordination Committee for approval. The approved proposals will be recommended to the Chairman of the committee (Principal) and General Secretary and Correspondent for release of the grant.
8. After the selection process the Principal Investigator will submit a letter of acceptance/undertaking to complete the project as per guidelines specified. Thereafter, the faculty can begin their study.

IV. Award of Grant and Utilization of Fund

After scrutiny of research proposals, 50 % of the sanctioned amount will be released as a first instalment and remaining funds will be sanctioned after evaluation of the mid-term project report.

IV) Assessment Criteria

- i. Dean Research in consultation with the Chairman and Research Coordination Committee shall fix the committee / individuals for quarterly review of the research conducted. This will also provide an analysis of the project's financial records.
- ii. The principal investigator is required to submit a mid-term report outlining the progress of the research.
- iii. At the end of the project, the principal investigator shall submit a comprehensive report describing the completion of the work, progress achieved (in terms of publications, data collected, etc.), future scope along with utilisation certificate with bills and vouchers.
- iv. The grant period shall not extend the date specified. Under extra ordinary circumstances the Grant period upon recommendation of the Research Coordination Committee, Convener and Chairman may extend as suggested.
- v. Faculty are not allowed to employ research fellows, interns, or research assistants to assist in their project.
- vi. The seed money does not include travel expenses for attending conferences and seminars.
- vii. The Seed grant should not be used for organizing conferences, lectures, seminar or any other activities.
- viii. Any intellectual property created during the process of such a project is subjected to the College's general intellectual property rules and guidelines.
