Under the assistance and supervision of our NSS program officers, Dr. Jayaseelan, Dr. Nedumaran, Dr. Kokila & Mr. Sankaranarayanan our seven days NSS special camp came to an end with lots and lots of social services, training, memories and valuable experience. All the Chief Guests whom we invited shared their experience and knowledge.

We invited three professors, as Chief Guests. Our college principal Dr.Selvaraj presided over the function. They shared their experience and motivated us to lead our life in a very useful manner. They also advised us to participate in all cultural and academic events.

Cultural program was organised. Our NSS volunteers performed Silambattam which was well appreciated. 15 female volunteers performed a fusion dance including different types of dance. A ten minute MIME was performed by our volunteers. The concept was about the female menstruation process. They portrayed the difficulties faced by women during the menstruation period and the role of men in those cases.

A mono act play was performed by our female volunteers. They had a concept about the women's education development and current social issues faced by them. A ten minute play was performed by our NSS volunteers about the epic Ramayana, shown in a modern format. The play was merged with cinematic sounds and dialogues. This play was very effective and very well appreciated.

Our volunteers shared their feedback on their special camp. Volunteers thanked our NSS officers and our college for giving them this opportunity. Prizes were distributed to the kids and participants who won the events. All the participants were given gifts. The programs ended with our national anthem.

REPORT

Guru Nanak College Enviroclub volunteers combining with NGO (Elanthalir) participated in Beach Cleaning Activity at Besant Nagar Beach on 05.08.2018. Enviroclub volunteers and first-year students have been cleaning the beach for 4 years and have been taking part in beach cleaning activity at Besant nagar and Elicot beach and serving to save oceans. 74 Enviro club volunteers along with NGO actively participated in the cleanliness drive at Beach. Officers from Elanthalir were also present on the occasion to motivate the volunteers. The program started by a pledge for cleanliness followed by cleaning activity and refreshment. Ocean trash is a serious pollution problem that affects the health of people, wildlife, and local economies. A problem as big as plastic in the ocean requires a big response. By participating in the Coastal Clean-up, Enviroclub contributed its bit towards saving the oceans. This program was made successful under the guidance of Principal Dr. M. Selvaraj and coordinated by Enviro club members and student team.
