## 2.4 HINDI -DICTION WORKSHOP

<b>Event Title</b>	Hindi -Diction Workshop
<b>Category</b>	Workshop
<b>Date</b>	12-12-2017
<b>Department</b>	Hindi
<b>No. of Resource Person</b>	1
<b>No. of Participants</b>	75

### Report

The association activities began with a guest work shop on 12<sup>th</sup> December, 2017. It was a workshop on 'Hindi Diction'. Dr.Swati Paliwal, H.O.D, Hindi Department welcomed and introduced the resource person for the session Mr.Uday Meghani from All India Radio. The main focus of the workshop was to teach and improve the pronunciation of certain group of syllables (Vowels and Consonants). Mr.Meghani demonstrated the technicality of pronouncing the letters with the help of various example words. He had prepared a sheet of words which was distributed to students before the session so as to help the students understand and pronounce the words in the right form. The students were separately made to pronounce the words so they themselves could understand the right way of using the syllables. The workshop came to an end by thanking Mr. Uday Meghani and presenting him with a memento.

## 2.5 ONGAL THAMIZH VIZHA

Event Title	Ongal Thamizh Vizha
Category	Celebrations
Department	Tamil
Date	12-12-2017
No. of Resource Person	1

## 2.7 POSTER MAKING, POETRY WRITING, CROSSWORD PUZZLE, CAPTION WRITING

<b>Event Title</b>	Poster making, poetry writing, crossword puzzle, caption writing
<b>Category</b>	Inter departmental Program
<b>Department</b>	English
<b>Date</b>	06-02-2018
<b>No. of Resource Person</b>	1
<b>No. of Participants</b>	118

### Report

The Department of English Organized one day Interdepartmental Program on **Poster making, Poetry writing, Crossword puzzle, Caption writing** From 06-02-2018 in college campus. HALCYON 2K19, was an inter-departmental literary fest, organized by The English Association, Department of English (Shift – I), this serves as a good platform for students to express their talents and also to develop their interest in the English language. In Micro tales students were asked to pick an alphabet from the lot and they have to create five different proper nouns and should create a story with those, within 3 – 5 lines. The theme for Poetry writing is “Live and Let Live.” Both these events showcase and also develop the creativity of the students. As Boggle and Scrabble are board games, their general rules apply. This exhibits the vocabulary and time management of the students. In Treasure hunt it consists of three rounds which tests the grammatical as well as the general knowledge of the students. Successfully the event was concluded by 2.00. pm Prizes for the winners were to be distributed during the valedictory function.

## 2.8 NATTAR NIGATHU KALAIGAL

<b>Event Title</b>	Nattar Nigathu Kalaigal
<b>Category</b>	Workshop
<b>Department</b>	Tamil
<b>Date</b>	07-03-2018
<b>No. of Resource Persons</b>	2
<b>No. of Participants</b>	250

### Report

One day workshop on Folk Performing Arts for students was held on 07.03.2018, at Guru Nanak College (Autonomous), Velachery, Chennai by the Tamil Department. The workshop was started by film and folk singer Mr. Velmurugan. He explained how folk songs simplify the burden of life and become an expression of emotion. The instructor of the workshop was I. Anandbabu, who was accompanied by the center for Performing Arts and Culture.

The group introduced the students to the basics of folk music such as karakattam, oyilattam, silampattam, kaliyattam, selinattam and folk music such as percussion. As part of the training, students and teachers volunteered to play games with the instructors, such as carols and oysters. At the end of the workshop the student group performed folk songs in front of all the students on the college campus.

Prizes were given to the students who participated in various competitions of the Tamil Department and certificates were given to the students who participated in the workshop. Dr. Murthy, head of the Tamil Department welcomes the audience. The principal of the College M. Selvaraj delivered the keynote address. The workshop was introduced by the Vice Chairman of the Tamil Association, Dr. Thiagaraj. At the end of the workshop Dr. Sakthivel gave a vote of thanks.

### III. LIFE SKILLS

#### 3.1 ROAD TO CONNECT

<b>Event Title</b>	Road to Connect
<b>Category</b>	Workshop
<b>Date</b>	06-07-2017
<b>Department</b>	B.Com. (Honours)
<b>No. of Resource Person</b>	1
<b>No. of Participants</b>	197

#### Report

The Department of B. Com (Hons) conducted a Workshop on “Team work - Road to connect” on 6th July 2017 for the I, II and III year students of B.Com. Honours. Dr. N.C. Rajashree, COE, Guru Nanak College (Autonomous) was the resource person. The workshop was joyful, interesting and interactive. Students learnt about the merits of teamwork through various activities.

## 3.2 IT YESTERDAY, TODAY AND THE PROMISED LAND

<b>Event Title</b>	IT YESTERDAY, TODAY AND THE PROMISED LAND
<b>Category</b>	Guest Lecture
<b>Department</b>	B.Com. – Accounting & Finance
<b>Date</b>	02-08-2017
<b>No. of Chief Guest</b>	1
<b>No. of Participants</b>	200

### Report

The Department of Commerce (A&F), Organized a One-day Guest Lecture On “It Yesterday, Today and the Promised Land” from 02.08.2017. There resource person, Dr.Saji K Mathew addressed the second and final year students. He highlighted that with the introduction of computers, the business world was changed forever. Information technology has allowed businesses to keep up with the supply and demand as consumers grow more anxious to have their items instantly. Using information technology, businesses like Amazon, Flipkart were working to help busy consumers do their online shopping. He also kindled the thought process of students by elaborating the business model of Google. Around 200 UG students belonging to Department of B. Com (A&F) participated in this programme. The guest lecture ended with National Anthem.

### 3.3 SUCCESS AND BELIEFS

<b>Event Title</b>	SUCCESS AND BELIEFS
<b>Category</b>	Seminar
<b>Department</b>	B.Com. – Accounting & Finance
<b>Date</b>	26-09-2017
<b>No. of Chief Guest</b>	1
<b>No. of Participants</b>	200

#### Report

The Department of Commerce (A&F), Organized a One-day Seminar on “Success and Beliefs” ON 26.09.2017. The resource person, Mrs. Pushpa Mahesh is a Neuro-linguistic programmer (NLP) who gives regular lectures on improving communication skills, personality development, and psychotherapy. She addressed the final year students about the strategies that would help in facing life’s challenges and achieving the goals successfully. She narrated her points using catchy stories and interactive sessions. 200 UG students belonging to Department of B.Com. (A&F) participated and benefited through this programme. The seminar ended with a National Anthem.

## 4. AWARENESS OF TRENDS IN TECHNOLOGY

### 4.1. DATA SCIENCE ANALYTICS WITH PYTHON PROGRAMMING

<b>Event Title</b>	Data Science Analytics with Python Programming
<b>Category</b>	Workshop
<b>Department</b>	Computer Science
<b>Date</b>	07-08-2017
<b>No. of Resource Person</b>	1
<b>No. of Participants</b>	150

#### Report

The department of B.Sc. (Computer Science), Organized a one day workshop on “**Data Science Analytics with Python Programming**” on August 7<sup>th</sup> 2017. A Session on Data Science & Analytics with Python Programming Concepts was delivered to the III year Students of Computer Science and objective of the session is to enable the students to understand how the Python Programming can be used to develop web based development. The session was an eye opener for our students which helped them to have a wider vision on the subject, at the end of the session the students raised many logical questions towards the resource person and the resource person also cleared all their queries.

## 4.2 PROGRAMMING FOR THE SoS SOA-VLSI DEVELOPMENT

<b>Event Title</b>	Programming for the SoS SOA VLSI Development
<b>Category</b>	Seminar
<b>Department</b>	Bachelor of Computer Applications
<b>Date</b>	12-12-2017
<b>No. of Resource Person</b>	1
<b>No. of Participants</b>	150

### Report

A seminar entitled “Programming for the SoS SOA VLSI Development” held on 12-12-2017 presented by is Dr. Ravi Dakshinamoorthy, the founder & CEO of XSEED ITEM. XSEED ITEM is a training and development company that aims at bringing best training and Development Company that aims at bringing best training workshops and courses to everyone.

The seminar was based on computer proficiency as it is essential for relevance in today’s computer-driven society. The out base of seminar is to provide an opportunity for students to explore topics in a relatively small group in order to clarify their knowledge and understanding. It also explains different aspects of experiences that were undergone by our students and contains basic information about the training establishment and descriptive information. He raised various and overwhelming vital issues and concerns related to IT industry and Career opportunities in India. The seminar was about the programming language skills used in E-Government and Military projects and highly interactive for students in all disciplines, using the concept of C and C++ programming language embedded in chip level process. He also outlined about the VLSI based system projects which involve the design of various types of digital systems that can be implemented on a PLD device like a FPGA or a CPLD.

“An investment in knowledge always pays the best interest” At the end of the workshop, participants develop a specific plan to implement one or more strategies that was learned from the seminar which was presented with the programming language practices and they left with effective new strategies as they can implement immediately.
