2.3 ENGLISH – STAY UNFAZED: AN AMAZING EXPERIENCED

Event Title	“English – Stay Unfazed: An Amazing Experienced”
Category	Webinar
School & Department	Humanities – B.A. English
Date	06-07-2020
No. of Resource Person	1
No. of Participants	377

Report

The Department of B.A. English had organized and conducted a webinar on “English – Stay Unfazed: An Amazing Experienced” Meeting” presented by the alum-nus of Guru Nanak College, Chennai – Mr. Akash Gopinath at 10.30 a.m. The participants were from schools and colleges throughout India. He shared his views about how he had only known a little about literature, but has meant a lot to him, had enjoyed it throughout his learning, during the course of his study. Thus, he has revived the thought of Joseph Heller – “He knew everything about literature except how to enjoy it”. He concluded that reading books on literature has been a therapy, a remedy, an ultimate concept.

Report for NATIONAL LEVEL STUDENT ENRICHMENT PROGRAM ON SALL – SCRABBLE ASSISTED LANGUAGE LEARNING A TECHNIQUE TO POLISH YOUR ENGLISH. The Department of English Shift II organised an online National level student enrichment programme titled, “SALL (Scrabble Assisted Language Learning) - A technique to polish your English” on 21st August 2020 between 3.30 pm and 4.30 pm. The registration for the programme was from varied colleges from New Delhi, Madhya Pradesh, Haryana, Ludhiana etc. The programme was streamed in both Google Meet and You Tube simultaneously. There were about 250 participants comprising both professors and students. The hosts Dr. A. Indra Balini and Mr. R. Arun began the session inviting the dignitaries and the participants. An official welcome address was given by the Vice Principal (Student affairs) Dr. LRS. Kalanithi, which was followed by the felicitation by Mr. Kumaran, Head, Department of English shift I. With the Resource person’s introduction by Dr. S. Deepa, the session was taken up by Mr. Ranganatha Chakravarthy, alumnus of GNC and the founder of Madras Scrabble Association. A detailed presentation with about 70 slides were displayed and explained briefly. A hands-on experience of the scrabble game was also conducted, keeping one of the students as a player and the rest helped him by giving words and clues. The session was an eye-opener for many staff and students. The time flew so fast and everybody appreciated the session. Then, Mrs.R. Radhika, Head, Department of English Shift II felicitated the Resource person. There was a question and answer session and some feedbacks were shared lively on the online platform by some enthusiastic participants. Mr. T. Jeyas proposed the vote of thanks and thereby the session came to a close gracefully.

2.10 BHAKTI LITERATURE

Event Title	Bhakti Literature
Category	Guest Lecture
School & Department	Languages - Hindi
Date	21-11-2020
No. of Resource Person	1
No. of Participants	50

Report

An online guest lecture was organized by the Hindi department of Guru Nanak College (Autonomous) on 21-11-2020 Saturday from 10 am to 12 pm. The subject of this guest lecture was based on the Bhakti Kaal which is also known as a golden period of Hindi literature. The main speaker of this program was Dr. Ravita Bhatia, Head of the department of Hindi Department of Patrician College. The program started with the guest welcome which was done by Dr. Anita Patil and guest introduction given by Mrs. Gudiya Choudhary. All the students of the first & second year of the Hindi department attended the lecture. Dr. Ravita Bhatia discussed in detail the naming of Hindi literature, the division as well as contemporary conditions and characteristics of the Bhakti Kaal. At the end of the program, Dr. Dolly conducted a Q&A session where Dr. Ravita Bhatia interacted with the children and answered their questions. At the end of the lecture, Dr. Asha Chaturvedi gave the vote of thanks. The program was compered by Mrs. Narayani Choubey.

गुरु नानक महाविद्यालय (स्वायतशासी) के हिन्दी विभाग द्वारा दिनांक 21/11/2020 शनिवार प्रातः 10 बजे से 12 बजे तक ऑनलाइन अतिथि वक्तव्य का आयोजन किया गया, जिसका विषय हिन्दी साहित्य का स्वर्ण काल भक्ति काल रहा। इस कार्यक्रम की मुख्य वक्ता पैट्रिशियन कॉलेज के हिन्दी विभाग की विभागाध्यक्ष डॉ. रविता भाटिया थी। कार्यक्रम की शुरुवात डॉ. अनीता पाटिल ने स्वागत भाषण देते हुए किया इसके साथ ही श्रीमती गुड़िया चौधरी ने अतिथि का परिचय दिया। इस वक्तव्य में प्रथम और द्वितीय वर्ष के हिन्दी विभाग के सभी बच्चों ने भाग लिया। डॉ. रविता भाटिया ने हिन्दी साहित्य के नामकरण, विभाजन के साथ ही भक्तिकाल की समसामयिक परिस्थितियाँ तथा विशेषताओं के विषय में विस्तार से चर्चा की। कार्यक्रम के अंत में डॉ. डॉली ने प्रश्नोत्तर सत्र का संचालन किया जहाँ डॉ. रविता भाटिया ने बच्चों से बातचीत करते हुए उनके प्रश्नों का जवाब भी दिया। वक्तव्य के अंत में डॉ. आशा चतुर्वेदी ने अतिथि वक्ता को धन्यवाद प्रेषित करते हुए धन्यवाद ज्ञापन दिया। कार्यक्रम का पूरा संचालन श्रीमती नारायणी चौबे ने किया।

4.7 SAFE AGILE METHODOLOGY WITH 4DX AND BEHAVIOR DRIVEN DEVELOPMENT

Event Title	SAFE Agile Methodology with 4DX and Behavior Driven Development
Category	Webinar
School & Department	Information Technology – B.Sc. Information Technology
Date	31-07-2020
No. of Resource Person	1
No. of Participants	153

Report

The Department of B.Sc. (Information Technology) organized a one-day Webiner on “**SAFe Agile Methodology with 4DX and Behavior Driven Development**” from 31-07-2020 Between 9.00 AM to 10.00 a.m. The Department of B.Sc(IT) , organized a webinar on the topic , ‘SAFE-Agile Methodology with 4DX and Behavior Driven Development , on July 31st ,2020. Mrs. Senthiru Lakhi, Product Development Manager & Enterprise Architect, Dell Technologies, Texas, USA, acted as the resource person for the webinar. Our Dean (IT), Dr.P.V.Kumaraguru , welcomed the gathering. Our beloved Principal Dr.M.Raghunathan gave a special address. Mr.T. Ravishankar, Asst.Prof introduced the Resource person. The resource person shared her valuable insights and industrial experience through the topics listed below for the participants. Traditional Methodology-The traditional method uses a linear approach, where the stages of the software development process must be completed in a sequential order. Agile Methodology- The various agile Scrum methodologies share much of the same philosophy, as well as many of the same characteristics and practices. But from an implementation standpoint, each has its own recipe of practices, terminology, and tactics. Kanban with SAFE - Team Kanban is a method that helps teams facilitate the flow of value by visualizing workflow, establishing Work In Process (WIP) limits, measuring throughput, and continuously improving their process. Behavior Driven Development - BDD aims to create a shared understanding of how an application should behave by discovering new features based on concrete examples. Key examples are then formalized with natural language following a Given/When/Then structure. The Webinar session ended up by the thanking note given by Dr.J.Vanathi, HOD ,B.Sc. (IT).

4.10 PLASMA FOR MATERIAL PROCESSING AND GREEN ENVIRONMENT

Event Title	Plasma for Material Processing and Green Environment
Category	Webinar
School & Department	Sciences - Physics
Date	05-09-2020
No. of Resource Person	1
No. of Participants	362

Report

The Department of Physics Organized One Day Webinar Program **Plasma for Material Processing and Green Environment** from 05-09-2020 in Online mode. Students could able to understand the fourth state of matter of PLASMA Physics and it is a basic research discipline that has many different areas of application of Plasma for material processing and green environment. REPORT DESCRIPTION: Plasma is often called the fourth state of matter along with solid, liquid and gas. Just as a liquid will boil, changing into a gas when energy is added, heating a gas will form plasma, a soup of positively charged particles (ions) and negatively charged particles (electrons). A detailed study of Plasma for material processing and green environment like thermal plasma processing system, methods of plasma generation and plasma source, production of carbon onions and hollow spheres in micro plasma discharge, Mineral processing by Air plasma torch and its applications. There is more application in this field. In future, students are very much interested to doing research in the area of plasma physics
