Event Description: HALCYON 2K19, was an inter-departmental Literary fest, organized by The English Association, Department of English (Shift – I). This serves as a good platform for students to express their talents and also to develop their interest in the English language. In Micro-tales students were asked to pick an alphabet from the lot and they have to create five different proper nouns and should create a story with those, within 3 – 5 lines. The theme for Poetry writing is "Live and Let Live." Both these events showcase and also develop the creativity of the students. As Boggle and Scrabble are board games, their general rules apply. This exhibits the vocabulary and time management of the students. In Treasure hunt it consists of three rounds which tests the grammatical as well as the general knowledge of the students. Successfully the event was concluded by 2:00, P.M. Prizes for the winners was to be distributed during the valedictory function.
