

Procedure and Policies for maintaining and utilizing physical, academic and support facilities

The Physical, academic and support facilities are taken care by a group of committee members from the management, administration and faculty members to maintain overall campus. An Administrative Officer is in charge all physical and support facilities and a full time residential estate officer is appointed for round clock assistance.

Science laboratories are well-equipped with all mandatory instruments/apparatus. They are maintained by the store keepers and lab attenders. Practicals are conducted as per the time table in a well-structured manner. Our computer labs are well equipped and updated with latest technology and net connected systems.

A separate IT office is functioning in the campus to ensure the network connectivity, maintenance of the servers and protection of the systems by installing anti-virus software and upgradation of the systems.

Our library has a vast collection of academic resources like Books, Periodicals, newspapers, CDs, DVDs, N-List E-resources, Journals, Cartographic resources, e-books and e-question bank. The library management software is used in all spheres of library activity. CCTV cameras have been installed in the library. Faculty and students actively participate in various library e-groups.

The College has the state of art sports facilities catering to international standards. International cricket ground, Football, Hockey grounds, Basketball, Handball Kabaddi courts and Kho-Kho fields are available for students as well as common public. Indoor games like table tennis, and shuttle benefit the students.

Generators are available to provide uninterrupted power supply. Hostel facilities are available for both girls and boys. RO plant is installed in the canteen for pure drinking water. The canteen provides fresh and hygienic food to the students and staff at nominal cost. In addition to the canteen, coffee corner and Ice cream Parlour are also functioning inside the campus.

A digital notice board at the heart of the campus provides information regarding day to day events. Sign boards, Flex-boards, quotes are fixed at various places showcasing the vision and values of the college. The aesthetic value of the campus is enhanced by the wall paintings depicting moral values created by our students.

A team of trained gardeners maintain the green campus beautifully. Technically sound in house plumbers, electricians and carpenters are readily available for all kind of repairs and maintenance. Dust bins are appropriately placed to keep the campus clean. A dedicated team of housekeepers work in two shifts to keep the campus clean and tidy. Home guards are employed to maintain discipline and security in the campus. A separate parking area is available for

students and staff to park their vehicles. Staff quarters are available for Principal, Chief administrative officer and estate officer. Proper roads are laid for connectivity within the campus with speed breakers. Rain water harvesting has been done to improve the ground water level.
