The Internal Quality Assurance Cell in association with the Office of the Controller of Examinations of Guru Nanak College (Autonomous) organised a Workshop on “Question Paper Vetting” on 23.08.2022 at 11.30 a.m. in Shaheed Baba Deep Singh Auditorium. Dr. T Augustine Arul Prasad working as Assistant Professor of Chemistry and Co-coordinator of IQAC at D. G. Vaishnav College (Autonomous), Arumbakkam, Chennai - 600106 was the Resource Person.

Dr. M.G. Ragunathan, Principal, Guru Nanak College delivered the welcomed address. The Theme of the Workshop and the Introduction of the Resource Person was done by Dr. Swati Paliwal, Coordinator - IQAC. Dr. T. Augustine Arul Prasad shared his experiences in the implementation of OBE. He explained the various strategies in preparing question banks based on OBE. He made the workshop more interactive by analysing sample question papers of Guru Nanak College. He also talked about the restructuring the question papers to follow OBE as per the Blooms taxonomy. He motivated faculty members to guide the students to instigate their high order thinking and how to test the knowledge and skills of the students. He demonstrated the key verbs to frame the learning objectives. It was an enriching experience as the teachers were appreciative of the usage of Bloom’s Taxonomy in classrooms.
